AAR is an independent provider of aviation services to government and commercial customers worldwide. Our aftermarket expertise and award-winning solutions help customers increase efficiency and reduce costs while maintaining high levels of quality, service, and safety.

### **Our Offerings**

#### **Parts Solutions**

AAR maintains global warehouses that are fully stocked with new and overhauled parts.

- New Parts - We maintain one of the industry's largest and most complete inventories of airframe rotables, landing gears, APUs, engine QECs, LRUs, and accessories. We stock over 1 million items from over 250 manufacturers.
- FAA certified overhauled parts – We maintain a large inventory of parts available for numerous government and military aircraft.

#### **MRO Solutions**

AAR is FAA Part 145 certified; with 11 facilities globally – 8 aircraft, 2 component and 1 landing gear

- Heavy maintenance inspections, modifications, upgrades, refurbishments, and painting services on a range of aircraft platforms, including Airbus, Boeing, Bombardier, and Embraer.
- Landing Gear Overhaul is a self-contained, full-service landing gear maintenance provider for commercial and military platforms, with complete wheels and brakes capability.
- Repair, overhaul, and maintain rotatable components for virtually every type of military and commercial aircraft at our component MRO facilities in Amsterdam and New York.
- Manufacture of specialized mobile shelters for governments, militaries, and nonprofit organizations worldwide.

#### **Contract Logistics Support Solutions**

We develop custom solutions for our numerous military customers in the US and around the world, driving increased readiness at affordable rates.

Examples of our capabilities:

- Performing 7-year U.S. Navy P-8 depot maintenance workload
- Performing 5-year U.S. Navy C-40 full CLS
- Performing 10-year U.S. Air force F-16 Depot modification and support
- Performing 10-year U.S. Air Force Landing Gear Performance Based Logistics
- Performing 10-year Worldwide Aviation Support (WASS) contract
