

AIRCRAFT PAINTER

AAR - 116

About Us:

AAR Corp. (NYSE: AIR) is a global aerospace and defense aftermarket solutions company that employs more than 6,000 people across over 60 sites in over 20 countries. Headquartered in the Chicago, Illinois area, AAR supports commercial and government customers in more than 100 countries through four operating segments: Parts Supply, Integrated Solutions, Repair and Engineering and Expeditionary Services.

AAR's purpose is to empower people to build innovative aerospace solutions today so you can safely reach your destination tomorrow. The company's mission is to go above and beyond to provide value-driven aerospace aftermarket solutions to meet the evolving needs of our customers worldwide. AAR constantly searches for the right thing to do for its customers, employees, partners and for society.

Description:

We are looking for an Aircraft Painter to support the Paint/Structures/Composite department with preparing and finishing all aircraft parts required including washing, sanding, erosion tape removal and install, masking, painting (rolling and/or spraying).

What you will be responsible for:

- Performs aircraft preparation, detailing, and painting operation of parts on/off of aircraft;
- Use and select required hand tools, machinery, measuring instruments and abrasives in accordance with detailed work instructions;
- Use protective equipment and follows safety rules as required in compliance with AAR Windsor Health & Safety requirements and Transport Canada regulations;
- Familiar with, and operational knowledge of department tools including but not limited to: pneumatic sanders, angle grinder, paint guns (HVLP).
- Strong buffing and polishing skills;
- Ability to sand, apply primer, topcoat paint/spray-applied coatings to detailed parts, sub-assemblies and major assemblies of aircraft interiors to customer or company specifications and industry quality standards using a variety of paints & finishes;
- Polish and wax finished surfaces by cutting and buffing finished surfaces;
- Performs moderately complex to complex filling operations related to the cosmetic appearance of the part being worked;
- Documents the work performed on work cards using the correct reference;
- Able to mix ration in order to mix sealant, filler materials, and/or paint;
- Actively participate in AAR Aircraft Services Windsor's Safety Management System (SMS), including reporting safety hazards and incidents encountered in daily operations; understand and promote the company safety policy;

What you will need to be successful in this role:

- High School Diploma
- Experience in prep, detail and painting
- Possess basic paint/prep tools
- Good reflexes and coordination
- Apply safe work practices while utilizing proper PPE in a hangar/shop environment
- Read drawings and be rigorous in the use and application of technical documentation to select correct products, be able to apply correct methods in the performance of work
- Clear understanding of Canadian Aviation Regulations (CARS)
- Strong attention to detail
- Strong communication skills with an ability to communicate with fluency in English
- Demonstrated ability to work independently and within a team environment
- Self-starter and organized
- Positive attitude and strong work ethic

The rewards of your career at AAR go far beyond just your salary:

- Annual Uniform and Safety Boot Allowance
- Comprehensive benefits package including medical, dental, and vision coverage.
- RRSP with company match
- Paid time off including 11 Holidays
- Professional development and career advancement opportunities
- Third Party Discounts

Physical Demands/Work Environment:

The physical demands and work environment characteristics described here are representative of those that must be met by an employee to successfully perform the essential functions of this job.

- Daily work activities are performed on the hangar floor and outside of building
- Ability to lift up to 70lbs to accomplish tasks/repairs
- Shift work and weekends
- Overtime as required
- Ability to continuously stand/walk while performing work

AAR provides accommodation in accordance with applicable laws through all stages of the hiring process. If you require accommodation for any part of the application and/or hiring process, please advise Human Resources.

Compensation:

The anticipated salary range for this position is \$23.55 to \$30.10 hourly. This range reflects the base pay for candidates who meet the requirements of the role, including experience, education, and location.

Application:

Qualified applicants may email their resume to windsorrecruiting@aarcorp.com. **Please quote file # AAR-116.** Please submit your resume in MS Word or PDF format.

Although all applications are appreciated, only those candidates selected for an interview will be contacted.

AAR is committed to building a diverse and inclusive workforce. We encourage applications from people of all races, ethnic origins, religions, abilities, sexual orientations, gender identities, or expressions. We are dedicated to the health and safety of our people, our customers, and the communities where we live and work.
