

AAR-199

QUALITY ASSURANCE & QUALITY CONTROL INSPECTOR

About Us:

AAR Corp. (NYSE: AIR) is a global aerospace and defense aftermarket solutions company that employs more than 6,000 people across over 60 sites in over 20 countries. Headquartered in the Chicago, Illinois area, AAR supports commercial and government customers in more than 100 countries through four operating segments: Parts Supply, Integrated Solutions, Repair and Engineering and Expeditionary Services.

AAR's purpose is to empower people to build innovative aerospace solutions today so you can safely reach your destination tomorrow. The company's mission is to go above and beyond to provide value-driven aerospace aftermarket solutions to meet the evolving needs of our customers worldwide. AAR constantly searches for the right thing to do for its customers, employees, partners and for society.

Description:

The QA/QC Inspector is responsible for performing inspections and audits on aircraft, components, and maintenance processes to ensure compliance with regulatory requirements, company procedures, and safety standards. This role plays a critical part in maintaining the airworthiness of aircraft and ensuring the integrity of maintenance operations.

What you will be responsible for:

- Conduct inspections of aircraft and components during maintenance, repair, and overhaul (MRO) activities. Provide feedback to ACAs, Chief Inspector and Director Quality Assurance.
- Ensure compliance with Transport Canada (or other relevant airworthiness authority) regulations, manufacturer specifications, and internal quality procedures
- Verify that all work is properly documented and signed off in accordance with regulatory and company requirements
- Perform internal audits of maintenance processes and facilities.
- Identify, document, and report non-conformities and ensure corrective actions are implemented effectively
- Monitor calibration of tools and equipment used in maintenance activities.
- Maintain up-to-date knowledge of applicable airworthiness directives, service bulletins, and regulatory changes
- Support QA and Chief Inspector during investigations into quality issues, incidents, and root cause analysis.
- Collaborate with maintenance personnel to promote a safety-first, quality-focused culture

- Maintain accurate and organized records of all activities
- Actively participate in AAR Windsor's Safety Management System (SMS) including reporting safety hazards and incidents encountered in daily operations; understands and promotes the company safety policy
- Perform other duties as assigned

What you will need to be successful in this role:

- Aircraft Maintenance Engineer (AME) license required
- Certification as a Quality Auditor preferred
- Minimum 5 years of experience in aviation maintenance or MRO environment
- Strong knowledge of CARS, FAA, EASA regulations
- Auditor course – will provide internally as required
- Intermediate Microsoft Office (Word, Excel, Outlook, etc) skills
- Knowledge of quality assurance methodologies, techniques and tools considered an asset

The rewards of your career at AAR go far beyond just your salary:

- Competitive salary and bonus package
- Comprehensive benefits package including medical, dental, and vision coverage.
- RRSP with company match
- Generous paid time off program
- Professional development and career advancement opportunities

Physical Demands/Work Environment:

The physical demands and work environment characteristics described here are representative of those that must be met by an employee to successfully perform the essential functions of this job.

- Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.
- Shift Work – which may be rotational
- Flexibility to work weekends and/or on-call situations
- Office setting with periodic visits to the hangar floor

AAR provides accommodation in accordance with applicable laws through all stages of the hiring process. If you require accommodation for any part of the application and/or hiring process, please advise Human Resources.

Qualified applicants may email their resume to windsorrecruiting@aarcorp.com. **Please quote file # AAR-199.** Please submit your resume in MS Word or PDF format.

Although all applications are appreciated, only those candidates selected for an interview will be contacted.

AAR is committed to building a diverse and inclusive workforce. We encourage applications from people of all races, ethnic origins, religions, abilities, sexual orientations, gender identities, or expressions. We are dedicated to the health and safety of our people, our customers, and the communities where we live and work.
